Using another sheet of paper, please submit in writing (type-written please) the following: Please write a 300 word essay explaining the value of this camp to you, the experiences that you have had that motivate you to go (please include community work, school work, etc., as well as personal reasons that motivate you), and the intentions you have for bringing what you learn back to your school & community.

PFLAG is offering up to eight \$100 scholarships, to be used as your deposit. If fewer students apply, they will consider additional awards to those who have applied. All award recipients will receive at least \$100, some may receive additional amounts. It's all in the essay! Please submit excellent work! Awardees will need to write a 500 word essay on their experiences at the camp to be published in the PFLAG newsletters.
